

Beauty Beyond

The Beauty tourism booms and always more patients are searching for the world's best international doctors.

Therefore two of Vienna's renowned establishments – the Hotel Bristol and the Kuzbari Center of Aesthetic Medicine have collaborated in order to offer the highest standards in medical perfection and plastic surgery for their patients and guests.

On the one hand side, patients experience 5-star treatment receiving plastic surgery from Univ. Doz. Dr. Kuzbari, the head and founder of the Kuzbari Center, and on the other hand, the staff from the Bristol Hotel have been specially -trained and educated to take care of the patients after a plastical surgery.

Patients receive specially catered protein and vitamin-rich menus which support the healing process and guarantee the best possible results. Additionally, fresh ice-packs to aid in recovery, cushions and towels are brought to the room on a daily basis. The Hotel Bristol also organizes all transportation, for example: an airport transfer, and if necessary, patients receive professional medical care from a nurse.

Depending from on the gravity of the operation, patients may recover at a luxurious level and if the patient wants, he/she may discreetly attend their post-op examinations at the Kuzbari Center of Aesthetic Medicine, which is located just across the street.

Further to this, the collaboration offers Hotel Bristol guests medicinic cosmetic-treatments, which were developed especially for travelers who want to overcome jet lag or to shine when attending an evening event.

For almost 130 years now, the Hotel Bristol has been the epitome of very personal service and Viennese charm. It is an exquisite example oft heof the Luxury Collection, the luxurious brand oft heof the Starwood Hotels & Resorts which provides excellence around the world. Individuality and authenticity blend to form a collection of unique experiences.

The Kuzbari Center of Aesthetic Medicine sets the highest-standards in the world in the area of beauty and medicine. It offers top-notch medical perfection in plastical surgery, dermatology and cosmetics.
